<b>Philosophy</b>	6 credits (2 courses)		
<b>Religious Studies</b>	6 credits (2 courses)		**Statistics taught in Business, Commerce, Economics, Psychology, etc., may also be used to fill this requirement.
<b>Social Sciences</b>	6 credits (2 courses)		Check with an Academic Advisor as to which courses are classified as Sciences.
<b>Other Arts electives*</b>	18 credits (6 courses)		<b>Courses can only be counted once and cannot be used to meet multiple requirements!</b>
<b>Other university-transfer electives</b>	9 credits (3 courses)		It is students' responsibility to ensure that 200-level Corpus Christi courses transfer to other institutions as 200-level courses. Check the BC Transfer Guide at: <a href="http://www.bctransferguide.ca">www.bctransferguide.ca</a> .
<b>Math, Statistics** or Computer Science</b>	3 credits (1 course)		Note that at this time, Corpus Christi College does NOT have block transfer agreements in place. When you apply to another institution, they will do a per-credit assessment of your AA, and may not acknowledge transferability of your full 60 credits.
<b>Math, Statistics** or Science</b>	3 credits (1 course)		
<b>Lab Science</b>	3 credits (1 course)		
<p><b>A minimum of 18 Arts credits (6 courses) must be taken at the <u>200-level</u> in <u>two or more</u> subject areas. Please list these here:</b></p>			

**PLEASE NOTE:** Students intending to complete an AA are strongly advised to speak with an Academic Advisor regarding course planning within the first two terms of attending Corpus Christi College.

**\*\*Completed checklists must be submitted to an Academic Advisor for review\*\***
